Today kicks off the weekend, August 3-6, Washington DC Fountain Pen Supershow 2017 for fountain pen enthusiasts!

The Fountain Pen Supershow is billed as the Largest Pen Event in the World. This is a link to their website announcing the [Twenty Sixth Annual Event](#).

The website includes a page on having [Ink Testing Tables](#).

One of the delights of letter writing is doing so with fountain pens. Here is a wonderful opportunity to get to browse, shop, network, and learn more

about fountain pens!

I'm including this image by [@FountainPenDay](#) from their July 27 tweet of the DC Fountain Pen Supershow 2017.

For now, with today looking like a lot of set up, it is fun to follow on Twitter [#DCPenShow2017](#). Their [Community page](#) over at Facebook for the DC Fountain Pen Supershow 2017 looks very active.

Today is daily blog post #890. Join me tomorrow as we begin the countdown of 10 to go for reaching Milestone of blogging daily for 900 days since launching [AnchoredScraps.com](#) encouraging old-style correspondence letter writing. *In the meantime, I'm still in pursuit of adding my fifth fountain pen to my collection. If you find yourself in the area this weekend be sure to stop by and enjoy!*
