Today's post is on these retro look Bilipala Ferris Wheel Vintage MINI Postcards Bookmarks.

Lately, I've been looking for more bookmarks to include with my letters when letter writing. Finding these Mini Postcards Bookmarks look like a fun option.

This is a view of all of the Ferris Wheel Vintage MINI Postcards Bookmarks that come in the set of 54 counts. As you can see in the image upper left the set includes its own Tin Box to store them.

*"Product size: Single cards size approx. 2.34" * 3.35" (5.9 cm * 8.5 cm), a total of 54. Tin box size approx. 3.15" * 4.3" * 0.9" (8 cm * 11 cm * 2 cm)."*

Among the suggested uses, the description includes mentioning adding an inspirational quote to it. I've already ordered a set today from Amazon for less than \$10. I'm looking forward to having them to include with future snail mail!

Have fun looking for bookmarks to insert in your letters!

Anchors Aweigh,

Helen

P.S. Earlier this year back in March I had posted about the Mighty Mouse Postcards in Tin Box. The order I had submitted after at least a month came back with a "not available" message, so the search continues!
