Today's blog post finds us looking at four different sets of Studio Oh! Postcard Books Gift Products. Happy Tuesday morning!

Among my letter writing boxes of stationery, I've been putting all of my postcards into one box. It is fun to see so many options here with these Postcard Books.

Studio Oh! Postcard Books

In the image on right side at Studio Oh! – it is showing four

different sets: 1) Birthday, 2) Love & Friendship, 3) Thank You, and 4) Witticisms.

“...We strive to create products that are inspiring, delightful, and unexpected. ... Studio Oh! products can be found at most gift, stationery, and book stores...”

In looking online I'm able to see some of their listings with one temporarily out of stock with a message encouraging to place an order pending it being available again. It is going to be fun to see if I can spot any of these when in town browsing in the stationery section in stores. *Here's to expanding our use of postcards with our letter writing!*

Anchors Aweigh,

Helen
